

# Adult Pickleball Clinics

Monday, August 24 – Sunday, October 25

## Clinic Descriptions

### *Intro and Beginner Pickleball Clinic*

If you have never played pickleball or recently started, this is the clinic for you. Join the fastest growing sport in the country! Clinics will cover basic stroke production and technique, scoring, court positioning and basic strategy. Participants should bring their own paddles.

### *All-Levels Pickleball Clinic*

This clinic will cater to ALL levels of pickleball players who are looking to work on court positioning, drills, tactics and point play strategy. This clinic will feature various paced feeding drills using the entire court in order to improve stroke production and competitive ability. The drills and play will practice the 3rd shot (arguably the most important shot in pickleball), stacking, movement and other aspects of the game.

*Sign-ups are required on Club Automation during the pandemic.*
