

# Outdoor *Junior* Golf Clinics

AT BOAR'S HEAD RESORT

Our junior clinics are a great way to develop proper golfing habits while having fun! Each week we will provide various learning stations, games, team comps and more, with a 6 to 1 student-instructor ratio.

Each block will be limited to the first 12 juniors that sign up. There is a no carry over policy if a student misses a class (minimum 2 juniors per class).
