# BOAR'S HEAD RESORT

## Microwedding Package

A microwedding is a commitment ceremony between you and your partner, and it can include up to 50 people while adhering to social distancing measures. As Charlottesville's top wedding vendor, we can also cater to elopements and minimonies (10 people or less). The health of you and your loved ones will be our top priority throughout the planning and postponement process. Many couples who've had to postpone their nuptials are encouraged to consider a microwedding to honor their original wedding date and to celebrate with family and friends. Along with your microwedding package comes a complimentary room night at a later date, allowing you to come back for a sequel once Covid-19 has passed.
